IN-PERSON SAFETY MEASURES

For all of KidSpirit's programs and camps, health and safety is our number one priority. We are following the measures outlined by the Higher Education Coordinating Commission (HECC), Center Disease Control (CDC) and the Oregon Health Authority (OHA) to ensure the safety of our staff and our campers.

Camp Groups:
- We will be practicing and following public health guidelines:
  - Facial coverings are required for all staff and participants
  - Dedicated activity spaces which means to keep the stable cohorts and 6-foot spatial distancing, visitors are not allowed inside camp spaces
