2021 Oregon Camps State Grant

IN-PERSON SAFETY MEASURES

For all of KidSpirit’s programs and camps, health and safety is our number one priority. We are following the measures outlined by the Higher Education Coordinating Commission (HECC), Center Disease Control (CDC) and the Oregon Health Authority (OHA) to ensure the safety of our staff and our campers.

Camp Groups:
• We will be practicing and following public health guidelines:
  • Facial coverings are required for all staff and participants
  • Dedicated activity spaces which means to keep the stable cohorts and 6-foot spatial distancing, visitors are not allowed inside camp spaces

WHY KIDSPIRIT?

Your camper will discover a sense of belonging, build connections, and thrive at KIDSPIRIT! They will sing, play, explore, learn, and laugh—all under the watchful eyes of fully-trained staff. Fun for kids, peace of mind for you. Sign your camper up for KidSpirit Summer Camps today!

FRIDAY DRESS UP DAYS

### Teen Leaders

#### IN-PERSON CAMPS (GRADES 8-12)

#### WHAT ARE TEEN LEADERS?

Teen Leaders are high school youth that lead and accompany a small group of campers for the duration of a camp.

A Teen Leader:

- First and foremost seeks to grow in their own formation and be a model to younger campers.
- Gets to know the younger campers on their team very well.
- Helps foster true friendship among the campers in the team.
- Actively participates in or helps organize various camp activities for the team.
- Shows enthusiasm and joy even in adverse circumstances.
- Is the first one to enjoy all the camp fun activities alongside the campers on the team!

#### PUT YOUR SKILLS TO THE TEST BY...

- Discover new interests
- Gain confidence
- Build your skills & resume
- Make friends
- Building leadership & communication skills
-一致性：

Grades K-2

Move It & Groove It!
Learn about the forces that make things move and the science behind
them! Activities include: Music & Movement and Exploring Forces.

Slow your Bolt
Learn what powers your body and
develop ways to make it stronger. Tiny
tiny bodies can be powerful forces in this
big world! Activities include: Power My
Body, Let’s get Moving, Archery, and Gymnastics.

**Investigating**
From people to paintings, discover the
beauty of different ancient art! Learn about famous artists, their
techniques, and how to create your own masterpieces.

Creatures Past & Present
Stay active this session with games, dances, and
from around the globe. Our coaches will teach you
the basics of rugby, cricket, Irish dance, salsa and
more. Know a game or dance style we should
explore? Tell the coach and we can learn that one too! Tool Activities include:
Dancing Around the World, World Games & Sports, & Feel the Beat.

**Half-day Camp**

**Exploring Momentum**
Grades K-2 & 3

Kinetic Mind, Body, and Art
Explore the unlimited wonders of the
mind, combine science and art, and become a “paper engineer” as you
create projects you never thought possible! Activities include: Art in
Engineering - Kinetic Art, and Body & Mind

Moving Mountains
Learn what makes simple machines not
so simple. How is science able to help us
create structures from around the world? Let’s get Moving! Activities include:
Precision Arts and Engineering Mountains.

Science of Sport
What goes up must come down. Learn
more about the physics of some of your
favorite games! Activities include: Balls, Nets & Laces of Motion, Exploring
Movement, and Archery, Gymnastics.

**Session 4: Trekkin’ the Globe (Monday- Friday)**

**Full-day Camp**

**Global Explorers**
Grades K-2

Global Treks & Global Explorations
From architecture to paintings, discover the
beauty of different ancient art! Learn about famous artists, their
techniques, and how to create your own masterpieces.

Creatures Past & Present
Stay active this session with games, dances, and
from around the globe. Our coaches will teach you
the basics of rugby, cricket, Irish dance, salsa and
more. Know a game or dance style we should

**Half-day Camp**

**Global Excursion**
Grades K-2 & 3

Surf’s up! This is an exciting
era of humans, and all of the
exciting eras in between. Activities include: Nature's Explorers, the era of dinosaurs,
and all of the exciting eras in between. Activities include: Nature's Explorers, the era of dinosaurs,
and all of the exciting eras in between.
Wonders in Watercolor
Learn to work with watercolor in this class, explore how professional watercolor artists begin their process of painting, including how to pre-plan artwork, blending and layering techniques, and adding unique effects.

Sea Creatures & Planet Earth
Take a deep dive into the place we call home: Earth! Learn about the environment, people and places we see everyday, as well as the mysterious creatures lurking in the depths of the ocean.

Outdoor & Field Sports
Each day! Play all of the fun sandy sports you see at the beach like volleyball, frisbee and many more, while also learning how to stay safe next time you go to the surf.

Adventures of the Sea
You go to the surf. Activities include: Watercolor, Creatures of The Sea

Earth, Moon, & Tidal Pull
Calling all astronomers! In this class we will explore the moon, the Earth, and how they interact with one another.

Wonders in Watercolor
Learn to work with watercolor! In this class, explore how professional watercolor artists begin their process of painting, including how to pre-plan artwork, blending and layering techniques, and adding unique effects. Earth, Space & Gravity
Are you ready to explore the universe around you! We will look-up high and down low as we explore the sea, the moon, and how they work together to create our tide.

Outdoor Games & Sports
Get ready to moor-moored to the beach! This class will give your heart rate up with outer space obstacle courses, exciting challenges. Activities include: Volleyball & Dodge Games, Water Safety & Games, Outdoor Games & Relays, and Archery & Gymnastics.

Creatures of The Sea
Is it a mammal, a fish, or something unknown? Learn about the various creatures that live on our planet and become an expert on their habitat, ecosystem, community, communication, and more.

Water & Earth
Adventures
Explore the life that lurks in the depths of the ocean. Activities include: Up-cycle Gardens, Watercolor Wonders, and NatureArt.

What Facial Coverings are allowed?
KidSpirit is following facial covering guidelines set by OSU, the OHA, and the CDC.

• Masks in general should be double layered and fit over the nose and mouth.
• Single layer face covering such as gaiters are not accepted. Gaiters will have plenty of space in which we can loan out if needed.

Can I get a refund or change my class registration?
Class sessions can be changed or canceled a minimum of two weeks prior to the first day of class for a full refund, minus the $25 deposit. We do not offer refunds or cancellations once the class session has begun, except for medical emergencies with a note from a doctor.

How Will I be Picked up?
Tell us no later than 20 minutes before the requested pick-up time so we can ensure your camper is ready for you outside Langton Hall.

How Is KidSpirit Ensuring My Child’s Safety?
In order to stay healthy and safe, there are a few things we will be doing to prevent the spread of COVID-19:

• Full-time staff will wear gaiters in program areas (like KidSpirit) will continue to adhere to protective measures such as enhanced cleaning, physical distancing, and face coverings, which are proven as effective protective measures against the spread of COVID-19.

Do You Require Vaccine Records? No, KidSpirit does not require vaccine records as a part of attending or working with our programing at this time.
